Subject:  
 Rate increases to providers of home-based services, DCS-21-11

Dear provider,

The Indiana Department of Child Services (DCS) is pleased to inform you that DCS will allocate \$10,000,000 each fiscal year beginning July 1, 2021, for the exclusive purpose of providing rate increases to DCS-contracted providers of home-based services. This letter serves as written notice of the increase in accordance with HEA 1001 and Section 31 [Merger and Modification] of the applicable provider contract. These new rates: (a) are effective July 1, 2021, and are only for home-based services performed on or after the July 1 effective date, (b) supersede and replace the home-based services rates detailed on Attachment 1 of each applicable provider contract, and (c) are available for review at the link provided below.
