Purpose: To inform TAA field staff of the new location of the Field Operations Resource Portal to access TAA Page content.

On March 1, 2018, WorkOneWorks.com will no longer be operational. However, the resource portal can be accessed through Indiana Career Ready at www.indianacareerready.com

The STAFF portal is accessed by selecting DWD STAFF RESOURCE at the **bottom** of the main page of www.indianacareerready.com.

After selecting “DWD Staff Resources”, staff will see the page below. Staff can still use the same passphrase to access the resources.
