RE: Warn Letter - Wallace Construction, Inc

Dear Sir or Madam:

Due to the impending winter weather, our asphalt paving season will be coming to and end for the season. We will be laying off a portion of our field workers as we do every year, starting on November 18, 2022. **All** affected workers will be called back to work at the start of the 2023 paving season, which will be April 15, 2023.

I have attached a compiled list of employees that have been or will be affected by our layoff.

Should you have any questions or concerns, please feel free to call our office at 317-422-5356 and ask for Jake Thacker.

Sincerely,

Jake Thacker
General Manager
