

# Provider Recognition Program

In an effort to acknowledge the hard work and dedication of Indiana's early education teachers and out of school time professionals, OECOSL released an opportunity for colleagues, families and system staff to nominate those who showed exemplary skills and are making a difference in their community.

In this round, over 150 nominations were received. We are pleased to recognize the following individuals who will receive an Outstanding Educator Award Certificate as well as funds to purchase additional materials for their classrooms:
