Early childhood mental health endorsement and training. | npariborzi@mh.ai.net

Building Wellness

<https://brighterfuturesindiana.org/build-learn-grow/building-wellness>

Open to individuals who own, work or volunteer in an Indiana-based early childhood education or out-of-school care program, as well as the household family members and dependents of those individuals. The program offers free, short-term counseling, legal and financial consultation, work-life assistance and crisis intervention services.

Child Care Development Fund Policy

www.in.gov/fssa/carefinder/child-care-assistance/

The Child Care and Development Fund is a federal program that helps low-income families obtain child care so that they may work, attend training or education programs, or search for a job. The purpose of CCDF is to increase the availability, affordability and quality of child care. Providers authorized for CCDF may receive payments directly for eligible children attending their programs. CCDF programs can access following supports from the CCDF policy team:

- ▶ CCDF program questions
- ▶ Vendor payment device
- ▶ Attendance questions
- ▶ Payment questions
- ▶ Complaint situations
