Re: Behavior supports training recording available
Date: April 13, 2022

The Bureau of Quality Improvement Services is committed to supporting our provider network in working toward a true person-centered system which includes ensuring that individuals and those who support them honor individual rights and responsibilities.

As part of that commitment, BQIS hosted three web-based trainings focused on behavior supports. We were pleased to have offered this in partnership with the Indiana Association of Behavior Consultants.

Participants learned:

- What to expect from behavior supports
- Rights and modifications under the Home-and Community-Based Services Final Rule
- Role of the team in supporting the individual

A recording of the training is now available [here](#) and the PowerPoint is available [here](#). As a reminder, BQIS has a playlist of videos that might be of interest to providers, individuals, families and other stakeholders that can be found [here](#).

If you would like additional resources or have any questions that were not addressed in the Q&A session, please feel free to reach out to BQIS Help: 800-545-7763 or BQIS.Help@fssa.IN.gov.
