Why are the Division's numbers different from those provided by the community mental health center?

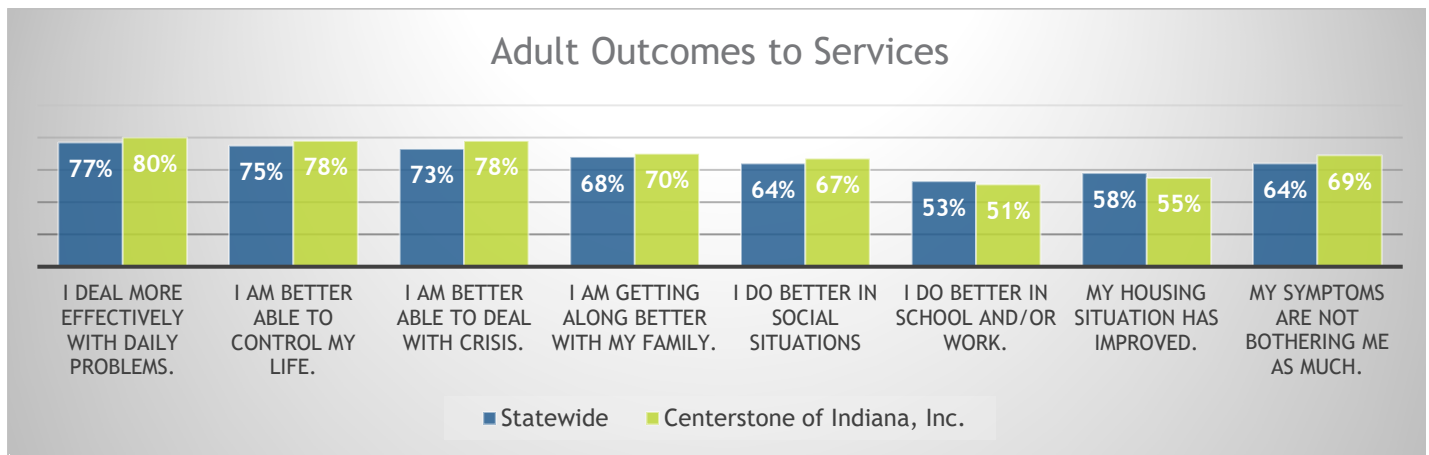

Community Mental Health Centers only submitted data to the Division for those individuals that meet the Division's income eligibility and diagnostic criteria.

Compliments or concerns about this provider? Call the Consumer Service Line at 800-901-1133.

Outcome Data

The Mental Health Statistics Improvement Program (MHSIP) survey is a nationally used survey and measures satisfaction of adults receiving services. This survey was handed out to all individuals receiving services during at least a one-week period between August 30th and September 24th in 2021 for paper surveys and August 30th and October 8th for online surveys; 255 surveys were completed. Surveys were completed anonymously. Below are the questions asked regarding outcomes of services.

The Youth Services Survey for Families (YSS-F) is a nationally used survey and measures satisfaction of parents of youth receiving services. This survey was handed out to all individuals receiving services during at least a one-week period between August 30th and September 24th in 2021 for paper surveys and August 30th and October 8th for online surveys; 206 surveys were completed. Surveys were completed anonymously. Below are the questions asked regarding outcomes of services.
